REQUEST FOR REIMBURSEMENT

Commissioner of Patents and Trademarks Washington, DC 20231

Sir:

The undersigned respectfully requests a reimbursement of \$65, one-half of the surcharge for filing the declaration on a date later than the filing date of the application paid on March 31, 1993, to be deposited in Deposit Account No. 06-1300. This request is made within the two-month period allowed for such reimbursement.

A duplicate copy of this page is enclosed for accounting purposes.

Respectfully submitted,

FLEHR, HOHBACH, TEST, ALBRITTON & HERBERT

INFORMATION DISCLOSURE STATEMENT

Commissioner of Patents and Trademarks Washington, DC 20231

Sir:

This application is a continuation-in-part of U.S.S.N. 07/963,308 filed October 16, 1992, which is a continuation-in-part of U.S.S.N. 07/888,178 filed may 26, 1992, which is a continuation-in-part of U.S.S.N. 07/701,514 filed May 16, 1991. The contents of U.S.S.N. 07/963,308, 07/888,178 and 07/701,514 are hereby incorporated by reference.

In satisfaction of the duty of disclosure under 37 C.F.R. § 1.56, and in accordance with the provisions of 37 C.F.R. §§ 1.97 and 1.98, Applicants wish to draw the attention of the U.S. Patent and Trademark Office to the documents cited on the accompanying form PTO-1449.

07/991,997 CSHL91-02AAA

Document A was cited in form PTO-1449 accompanying a Supplemental Information Disclosure Statement mailed February 12, 1993 in connection with U.S.S.N. 07/888,178. Documents 1-21 were previously cited as references AR-AT in form PTO-1449 accompanying an Information Disclosure Statement mailed January 20, 1992 in the U.S.S.N. 07/701,514. Documents 22-25 were previously cited as, respectively, references AU, AV, AW and AX in form PTO-1449 accompanying a Supplemental Information Disclosure Statement mailed November 25, 1992 in U.S.S.N. 07/701,514. In accordance with 37 C.F.R § 1.98(d), copies of the documents themselves are not provided.

None of the foregoing documents is believed to disclose the invention as claimed. Nothing herein shall constitute an admission concerning the contents of any of the cited documents, nor shall the inclusion of a document herein be considered an admission that the document constitutes prior art against the invention claimed in the above-identified application. Submission of the present document shall not be construed as an admission that a search has been made or that better art does not exist.

Respectfully submitted,

la.
